

NUTRITIONAL SUPPLEMENTS BY APEX ENERGETICS

Product	Description	Size	Price
 <p>Strengtia Probiotic</p>	<p>A synbiotic formula designed to fortify the intestinal microbial environment with targeted probiotics, such as the widely researched and clinically proven DDS-1 strain of <i>Lactobacillus acidophilus</i>, and the prebiotic arabinogalactan.* This advanced formula combines <i>Saccharomyces boulardii</i> and bacterial strains that are specially selected for their stability and viability—including resistance to stomach acid—and for their complementary and diverse activities.*</p>	60 ct	\$34
 <p>Adaptocrine™</p>	<p>Adaptocrine™ XL supports the body when temporarily under stress or feeling energetically spent.* This product is designed to support both physical and mental functionality through the use of carefully selected phytonutrients and plant enzymes.* Key ingredients include extracts of Panax ginseng, ashwagandha, and holy basil. It also includes high-potency antioxidant vitamin C.</p>	90 ct 120 Ct	\$26 \$31
 <p>Nitric Balance™</p>	<p>An advanced combination of carefully selected ingredients that work together to affect NOS (nitric oxide synthase) activity and intracellular energy production.* It also influences the related production of cell-signaling molecules and oxidants.* This formulation takes advantage of the compounding and complementary actions of its ingredients to deliver a truly effective formula backed by a decade of successful clinical use.* Nitric Balance™ is an excellent choice for individuals needing immune balance, brain function, and exercise support.*</p>	16 oz	\$40
 <p>Resvero™ Active</p>	<p>An emulsified micronized formula wherein the particle size of concentrated trans-resveratrol (from <i>Polygonum cuspidatum</i>) is greatly reduced to enhance absorption and bioavailability. Furthermore, micronized structures, known as micelles, easily float among the intestinal environment to optimize physiological activity. A breadth of studies has demonstrated the potential health benefits of resveratrol.*</p>	8oz 16oz	\$38 \$65
 <p>Turmero™ Active</p>	<p>An emulsified micronized formulation that delivers a concentrated source of curcuminoids (standardized to 95%) combined with black pepper extract in a pleasant-tasting liquid. Micronization reduces particle size to promote absorption, and black pepper extract is known to significantly enhance curcumin bioavailability.* This unique formulation elevates curcumin supplementation for optimal patient outcomes and dependable results.* Turmeric, a source of curcumin, has been used for around 4,000 years to support health and wellness, and modern science confirms that curcumin has a wide array of health benefits.*</p>	8oz 16oz	\$38 \$65
 <p>EnzymixPro™</p>	<p>Incorporates a special proprietary blend of various enzymes, including brush border enzymes, that has been meticulously designed to support the gastrointestinal system.* This formula combines a broad spectrum of enzymes to help support the digestion of sugars, starches, fibers, proteins, and fats.* It also includes HCl for further digestive support.*</p>	30 ct 120 ct	\$15 \$40
